## Amplifies power with the Digital Brushless motor

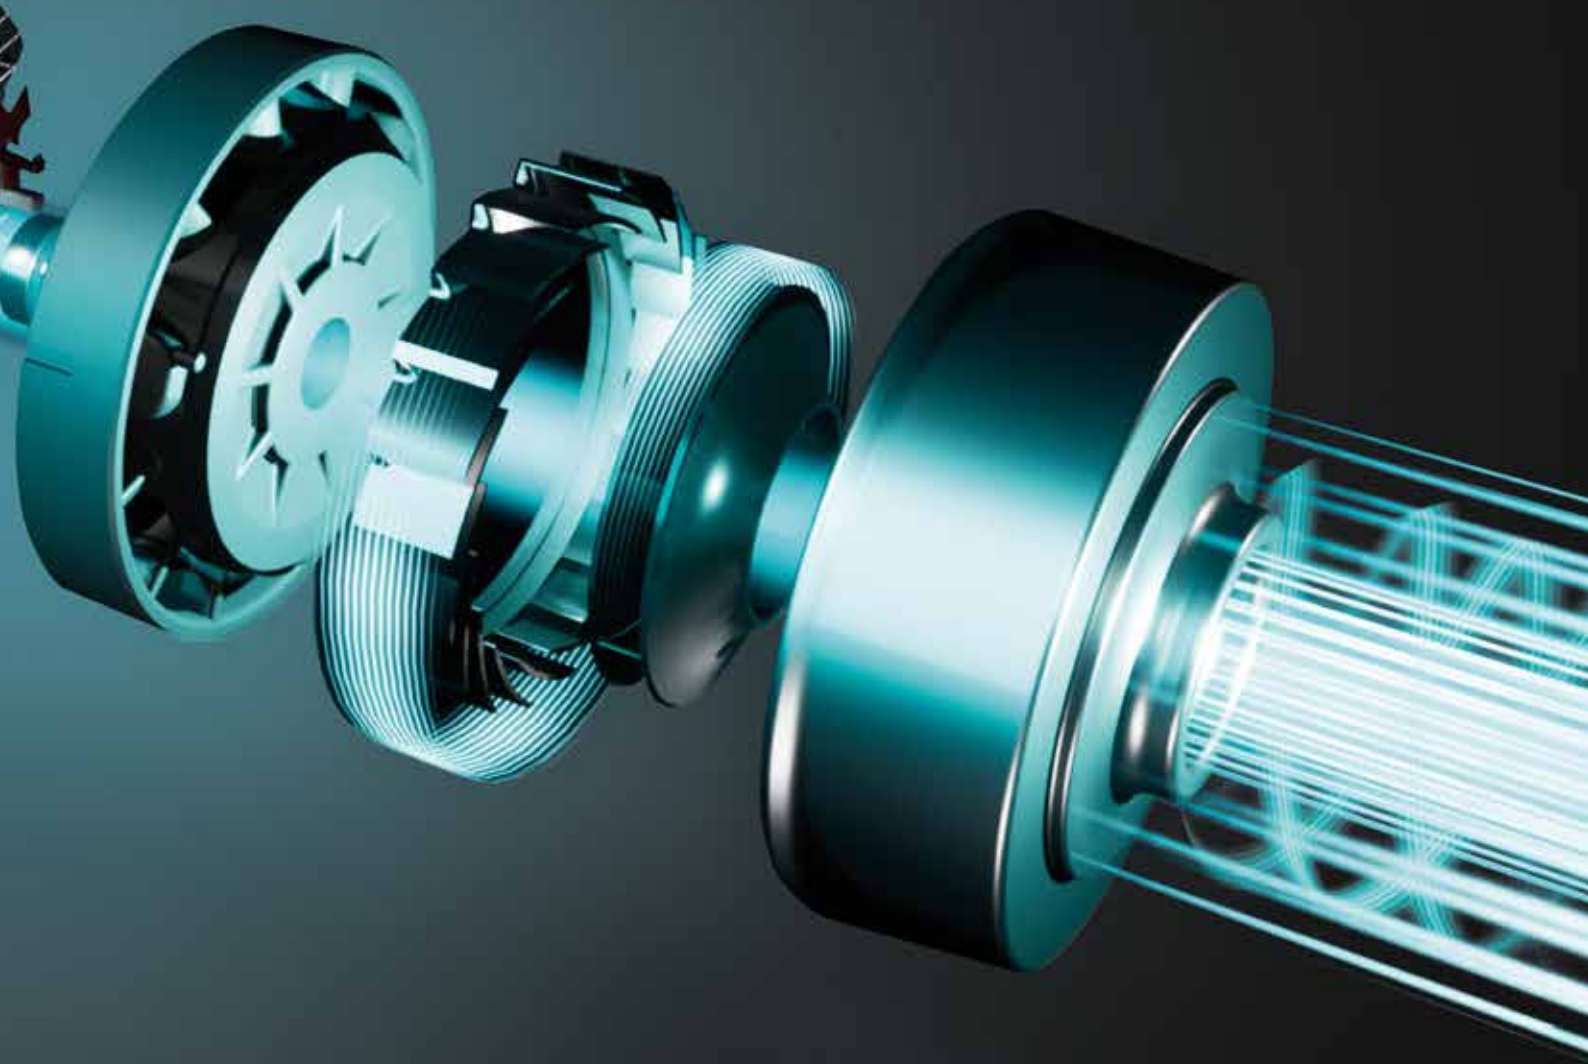

### DIGITAL BRUSHLESS MOTOR

These models have been adapted to meet new cleaning challenges without giving up power or design. Moreover, the innovative cutting-edge Digital Brushless motor maximises power and reduces noise level.

# Long live the RockStar

Apart from providing the vacuum cleaner with ultra-power, the Digital Brushless motor lengthens the device's service life, ensuring a long-lasting RockStar.

## Break free cleaning

Vacuum and scrub with complete freedom, forget about annoying cables. You won't have to choose between freedom or power. With this 4-in-1 vacuum cleaner, both are possible. Break chains with your RockStar, feel free during the cleaning of your household.

# Ultra-power that ensures complete success

**430 W** FORCESONIC

ForceSonic technology that reaches a maximum power of 430 W. RockStar turns power into ultra-power, vacuums all types of dust and keeps your home always clean.

# Maximum efficiency guaranteed

## MULTIPHASIC SYSTEM

Its maximum power of 430 W achieved with its digital motor and the ForceSonic technology, together with the Multiphasic System, make a perfect combination never seen before. This combination maximises its 24 kPa suction power, allowing you to vacuum all types of dust and ensuring maximum efficiency and minimum consumption.

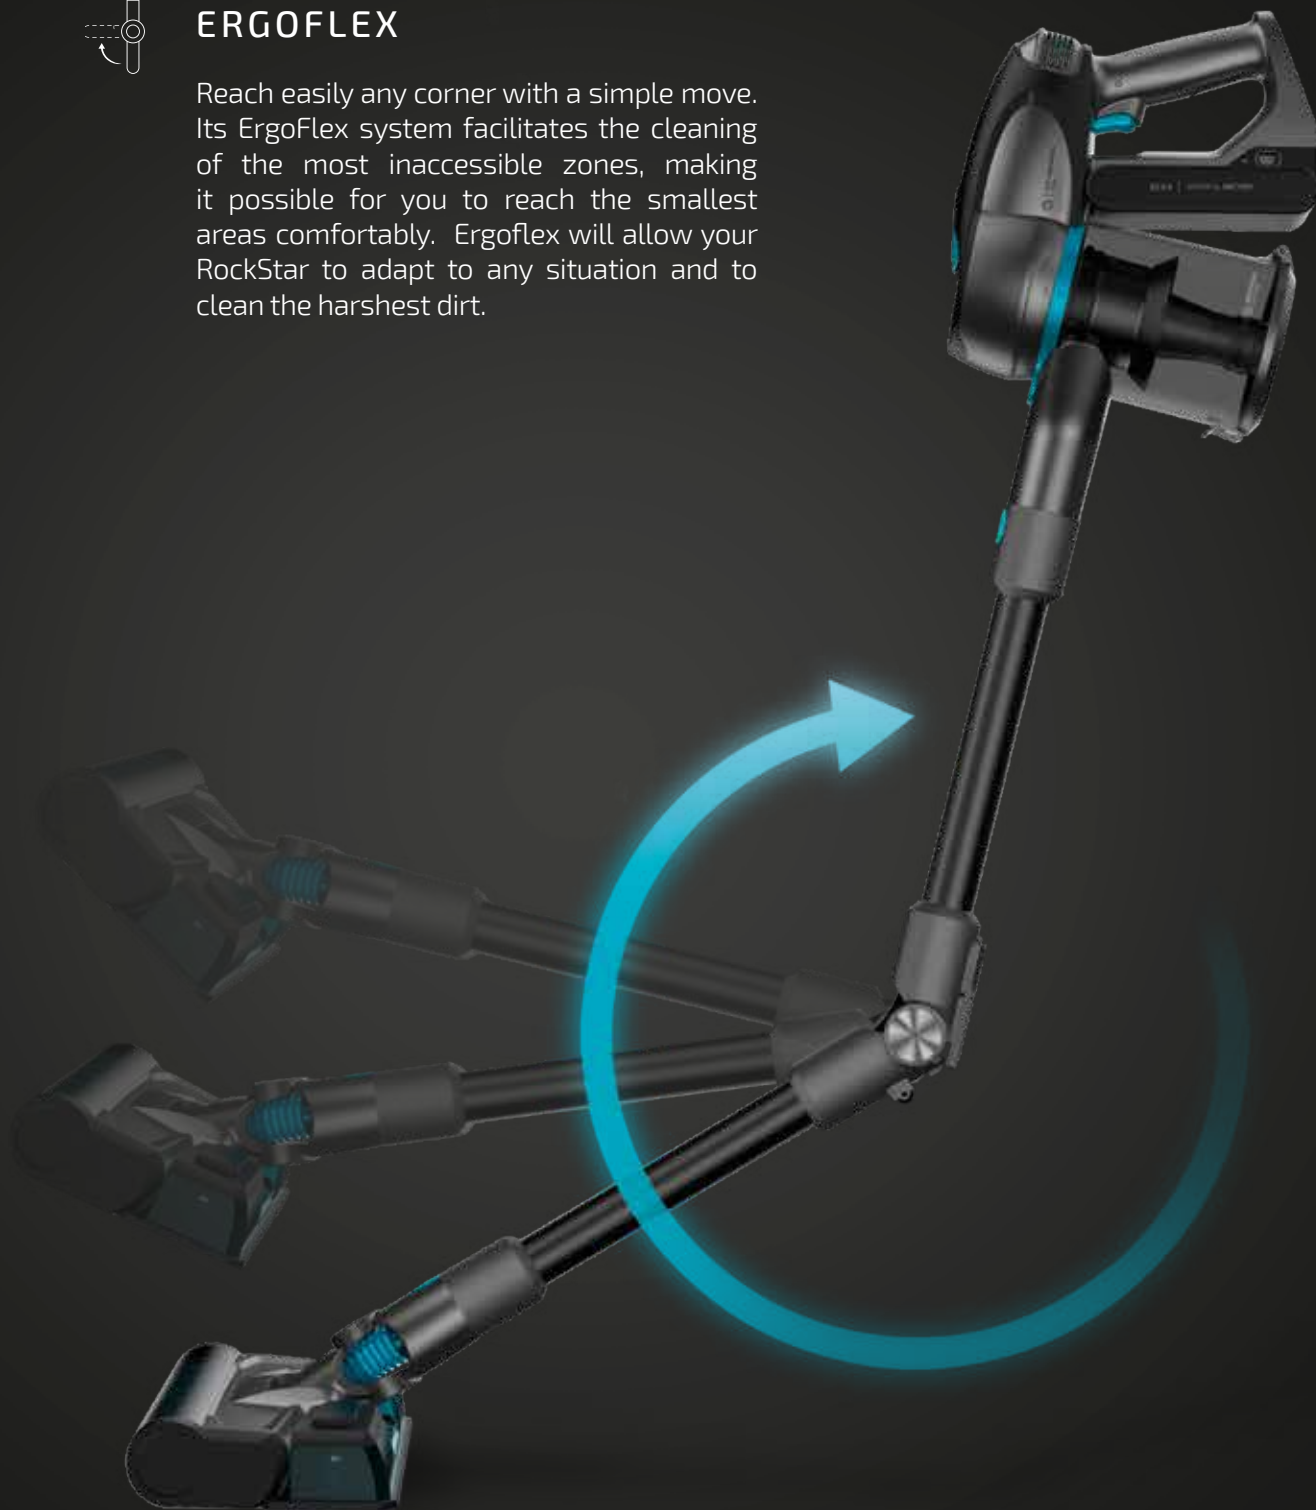

# Reach any corner

## ERGOFLEX

Reach easily any corner with a simple move. Its ErgoFlex system facilitates the cleaning of the most inaccessible zones, making it possible for you to reach the smallest areas comfortably. Ergoflex will allow your RockStar to adapt to any situation and to clean the harshest dirt.

## Vacuums and scrubs at once

### WATERTANK

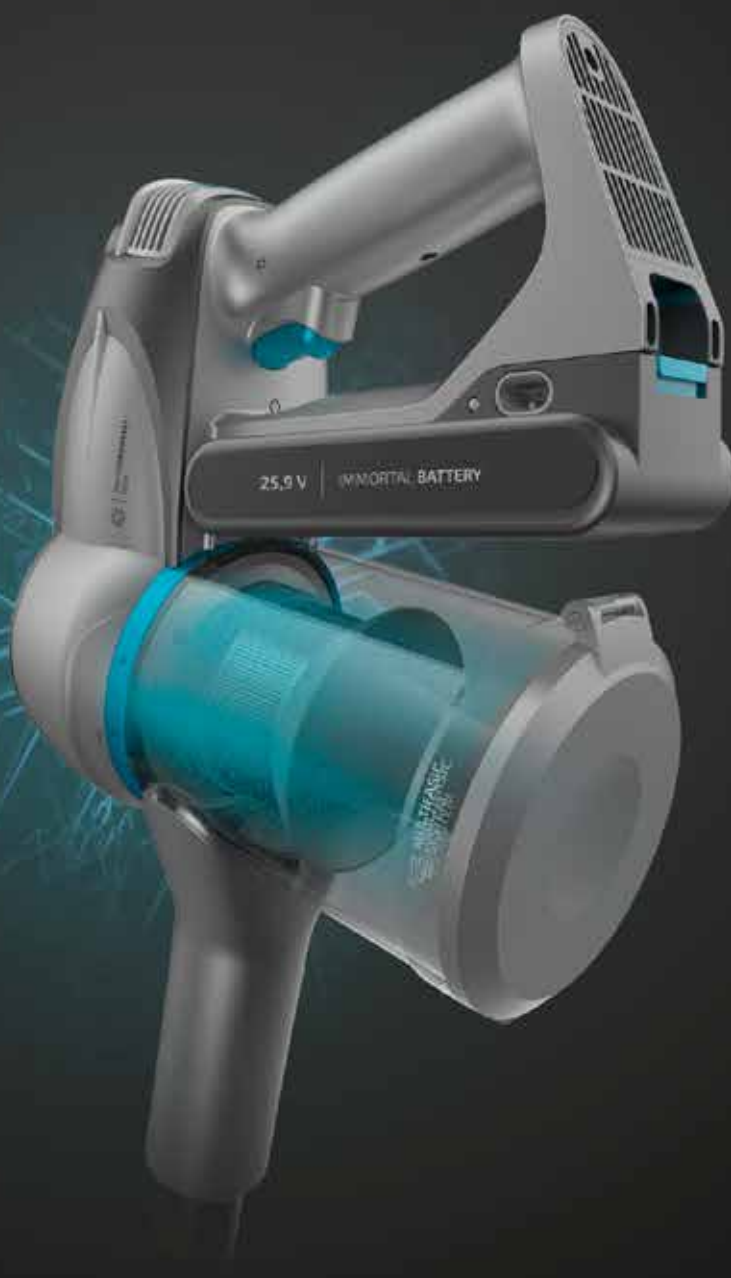

No chance for dust. Enjoy a perfectly clean house with the WaterTank accessory. This model is presented as the most versatile one out of the whole range as it includes a special tank for liquids with a mop for scrubbing. Clean comfortably and disinfect every single corner at home.

# A real RockStar never dies

## IMMORTAL BATTERY

The Immortal Battery system with Li-Ion battery, 2500 mAh and 25.9 V, reaches a 65-minute run time and reduces the charging time to 4 hours. Vacuum your whole house without recharging.

# Vacuum power at the service of cleaning

## CYCLONIC SYSTEM

Maximum efficiency throughout its service life thanks to its Cyclonic System technology. Includes the latest vacuuming developments to separate particles through centrifugal force.

## TYPHOON

The Typhoon system that maximises its impressive suction power up to 130 W. Eliminates all the dust in one single pass.

## FIND THE MODE THAT SUITS YOU BEST

Eco mode maximises the battery life and offers perfect results, Daily mode offers the best efficiency and suction power combination, and Turbo mode removes the harshest dust and vacuums carpets.

## Easy Rock

### ERGONOMICS

360° technology

It has been designed in such way that its weight rests on the handle, allowing you to clean every corner in your house by comfortably moving and lifting the vacuum cleaner.

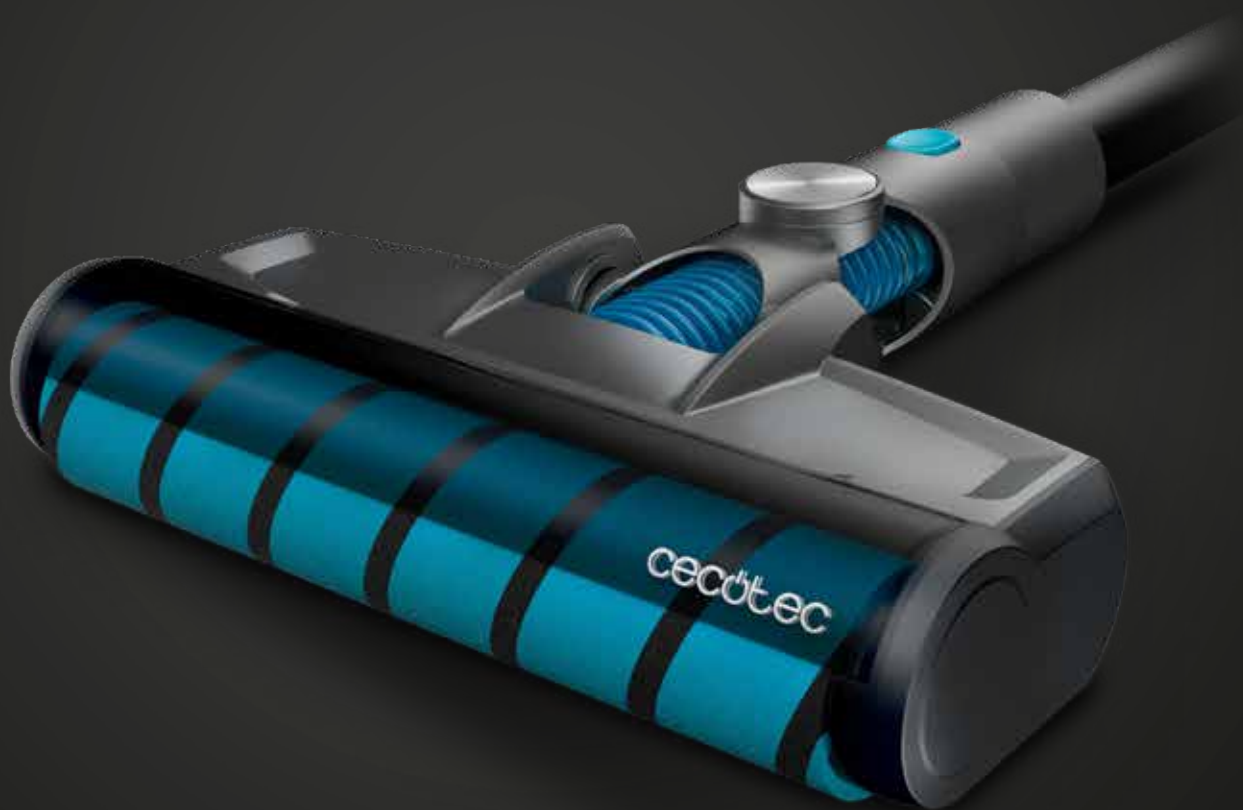

# Vacuum 3 times more in one go

## JALISCO BRUSH

Innovative motorised brush made of 2 different materials. Eliminates the most imperceptible dust, captures micro-particles and vacuums up to 3 times faster in one single pass.

*\*Tests carried out with material in accordance with standard IEC 60312-1:2010*
